

**CONSTRUCTION / MAINTENANCE**

Sunday - Saturday, March 7 - March 13, 2010

Projects are listed in highway order then by direction and milepost. Work is weather dependent.

**I 70 Eastbound/Westbound Between Dotsero and Glenwood Canyon (Milemarker 140-173)**

(through November 2010)

**7:00am-5:00pm MO-FR** Period reduction to one lane for wildlife fence installation. Some weekend work may be necessary. **Speed limit reduced to 55 mph.**

**I 70 Eastbound/Westbound Between Silverthorne and Bakerville (Milemarker 205-224)**

(through July 2010)

**7:00am-5:00pm MO-SA** Single lane closures for fiber, device installation and power installation by Xcel. **Delays possible.**

**7:00am-6:00pm MO-TH** Various shoulder closures during the daytime at milepost 224 for conduit installation. **Delays possible.**

**I 70 Eastbound/Westbound through the Eisenhower Tunnel (Milemarker 214-215)** (through

March 2010)

**6:00pm-6:00am SU-SA** Single lane closures for routine maintenance including sweeping and curb cleaning.

**I 70 Westbound Between the Colorado River Bridge and Debeque (Milemarker 57.5-58.5)**

(through May 2010)

**7:00am-4:00pm MO-FR** Single lane closures for bridge construction. **Delays possible. A 16 ft width restriction is in effect westbound from mileposts 62-57 from 7am-5pm.**

**I 70 Westbound at Georgetown (Milemarker 228)** (through May 2010)

**10:30am-Dark MO-TH** Right lane closure for installation of rock fall fence and mesh. **Delays possible.**

**US 160 Eastbound/Westbound At Grandview East of Durango (Milemarker 88-89.5)** (through

October 2010)

**8:00am-3:00pm MO-FR** Traffic may be reduced to a single lane in each direction. **15 minute delays are possible during non-peak travel times. Project hotline is 970-903-3999.**

**US 285 Northbound/Southbound At Shaffers Crossing (Milemarker 232)** (through March 2010)

**9:00am-3:30pm MO-TH and FR until 1:00pm** Intermittent traffic stops for rock scaling and truck hauling. **Delays possible.**

**US 34 Eastbound/Westbound in the Big Thompson Canyon (Milemarker 65.4-66.3)** (through

May 2010)

**24 Hours** Beginning midnight 3/04/10, full closure of the highway for bridge replacement through 3/15/10. **Motorists will be detoured through Lyons along US 287, State Highway 66 and US 36. Detour will be posted. Detour route will add 15 miles to the drive time from Estes Park to Loveland.**
